RELEVANT EXPERIENCE

Black Box Startup Studio *Founder in Residence (Focus -GTM), New Delhi*
Present

Mar 2025 -

We're building AI first business at Black Box Studios with the goal of solving across sectors in India.

- **Market Research:** Currently I'm involved in market research for a couple different ideas, with the goal of creating product validation roadmaps and then executing these roadmaps. (Current Focus areas: Manufacturing Tech and Regulation Tech.
- **Founders Associate:** I was the founders third hand second brain, I did all things from admin tasks to ensuring we as a team don't miss a commitment, kept the string ties across all departments, enabling us to improve on an organizational level by creating best practices that suited everyone's context.
- **GTM Lead:** Our first startup was AI for education (B2B), a software called Peach, I was the first employee tasked with sales. I worked on lead sourcing, outreach cadence, conversion through demos, client support and all other things partnerships. In my tenure we created and scaled a personalized outreach campaign and exploited our team's network to close 5 clients and most importantly initiate 4 co-builds which enabled us to gather primary data for product improvement.

Applause Entertainment, *Assistant Writer, Mumbai*
2025

Aug 2024- Mar

- **Creative Thinking:** Got a practical course in how to exercise creativity like a muscle and not a mood, by sitting in countless brainstorming sessions, writing 100's of drafts and piecing together the pieces of research using a magnet of our discussion thoughts.
- **Stakeholder Management:** Working with writers taught me how to invigorate motivation to get the ball rolling, always keep a tab on what's going on and what happened last. I understood that every conversation is a piece of a puzzle that I would put together to build a universe for our show.

Iridia Medical, *Chief Of Staff, Vancouver, British Columbia*
2023

May 2023 - Dec

- **Sales Pipeline Creation:** Owned end-to-end customer interactions for workplace mental health solutions, managing sales pipeline and driving adoption through webinars, seminars, and trade shows.
- **Established Service Sales:** Transitioned pipeline management from Excel to CRM, improving tracking and conversion rates. Collaborated with HR and scientific experts to deliver evidence-based solutions, enhancing brand trust and inbound momentum, all for our mental health services.

Invest India, *Business Development Intern ,Team Americas, New Delhi*

Feb 2022 - Apr 2022

- **Market Research & Investment Strategy:** Translated broad investment criteria and global geopolitical trends into a curated list of 350+ high-potential clients. Laid the groundwork for targeted outreach and investment activity.
- **Lead Generation:** Carried out cold calling and emailing to bring vendors for a b2b exhibition of regionally manufactured goods; maintained a call/email to conversation rate of 20% and a meeting booking rate of 10%.

Kasa Properties, *Sales Team Intern, Berkeley, California*

May 2021 - Aug 2021

- **Operational Efficiency:** Optimized tour scheduling and tenant acquisition strategies, which played a crucial role in helping us attain 85% occupancy across four properties and turning 2 assets cash flow positive.
- **Sales:** Cold calling, cold emailing, and owning inbound gave me a real-world crash course in sales, learning what actually gets responses, earns trust, and moves conversations forward.

SKILLS & CERTIFICATIONS

- **Technical Skills:** Excel, PowerPoint and Word, Google Suite, Salesforce, Canva, n8n, Zapier, Notion
- **Programming & Analytics:** Stata, R, Python, Salesforce, Basic app and web development
